Cost-effective desktop multifunctionality for all

Affordable print, copy and colour scan

By combining print, copy and colour scan functions in one device the Nashuatec SP 1000s is more affordable than owning three separate devices. Its all-in-one design reduces initial investment, making it affordable for individuals and small workgroups to have their own desktop multifunctional device.

Save space and boost productivity

The compact SP 1000s fits easily into small office spaces where it delivers productivity-boosting benefits. Users save time producing business-quality documents with rapid 16 pages per minute (ppm) printing and on-demand copying. Plus, you can quickly and easily capture colour images to your PC or a USB Flash Drive through the versatile colour scanner.

Easy to use

The SP 1000s is easy to use as its impressive paper capacity increases productivity by reducing the need for user intervention, whilst the intuitive control panel gives instant access to all key functions. An easy-swap All-In-One cartridge ensures effortless replenishment of supplies.

Simply connect to your PC for quality printing

The SP 1000s enables you to print high-quality documents at true 600dpi resolution direct from your PC, via simple USB2.0 or Parallel connection.

Outstanding Software and Services

Improving productivity, workflow efficiency and cost control is easy with Nashuatec. Designed to add value and ensure our devices operate seamlessly and reliably, we cover every aspect of your business from document management, network control and consultancy, to training and unrivalled support.

Aficio™
