TOTAL DOCUMENT SOLUTIONS

SP C410_{DN}/SP C411_{DN}

STAND OUT FROM THE CROWD
WITH VIVID BUSINESS COLOUR

Aficio[™]

Outstanding quality colour printing to enhance your business image

Colour undeniably adds value in business today, and for workgroups seeking to enhance the impact, clarity and performance of their documents, there's no better choice than the Nashuatec SP C410DN and SP C411DN. Totally reliable and very affordable, these network-ready colour laser printers deliver vivid colour at speeds up to an extremely productive 30 pages per minute (ppm).

Whether you choose the ultra-efficient everyday performance of the SP C410DN, or the extra speed of the SP C411DN, you'll get the same true 1,200dpi quality. This impressive duo feature double-sided printing and handle a variety of paper types, enabling you to produce professional looking documents in-house. They boost productivity in the office with powerful features that minimize interruptions and deliver effortless day-to-day printing.

Easy connectivity, browser-based management and user-friendly drivers make it easy for everyone to access image enhancing business colour printing.

Nashuatec's unique approach, links people with knowledge and expertise, combining our wide experience of innovative, document related Products and Software Solutions with our world class Business and Professional Services to deliver the best Total Document Solutions for your business.

Fast, professional looking colour printing on a wide range of paper sizes and weights

Easy-to-read control panel display makes printer checking and management simple

Double-sided printing is more cost effective and kinder to the environment

Produce professional looking colour documents in-house

The SP C410_{DN} and SP C411_{DN} make it easy for demanding workgroups to instantly produce crisp, sharp professional looking documents in vivid, attention grabbing colour. True 1,200dpi resolution ensures every single colour or black and white document will be printed to the same consistent quality. These versatile devices have excellent paper handling features enabling you to print A4 or A5 sizes on a wide range of papers, envelopes and transparencies. The standard 550-sheet Paper Tray capacity can be increased to a maximum of 1,750 sheets, for long uninterrupted print runs.

The speed you need to boost productivity

Featuring fast warm-up and first printout times, these high-performance printers will really accelerate your workflow. The SP C410_{DN} delivers a rapid 25ppm, whilst the SP C411_{DN} is even faster at an impressive 30ppm. Double-sided documents are printed at the same high speed as single-sided, so everyone can quickly produce high-quality documents, maximizing productivity in the office.

Cost-effective colour printing

These powerful colour printers offer outstanding value for today's busy workgroups. The SP C410_{DN} and SP C411_{DN} feature cost-effective, double-sided colour printing, which produces professional looking documents and minimizes paper usage. These efficient printers are designed to deliver a very competitive cost per page and reduce the Total Cost of Ownership.

Effortless printing and easy management

Nashuatec's RPCS printer driver makes these printers incredibly simple to use. Its icon driven interface allows you to simply click to apply previously saved or common output settings, such as double-sided or 2-Up printing. The DeskTopBinder software allows you to easily manage, view and reproduce documents stored on your network. It offers you one integrated portal to manage documents from different sources and locations, thereby increasing the efficiency and productivity of your document communications.

Seamless integration with your network

The network ready SP C410_{DN} and SP C411_{DN} support all major networks and industry standard printer languages including Apple Macintosh for seamless integration into your office environment. The SP C410_{DN} and SP C411_{DN} include USB2.0 as standard and there are other connectivity options available for mobile users. SmartDeviceMonitor is an easy to install and use management application that puts both users and Network Administrators in full control of document communication over the network and provides them with instant feedback on the status and usage of their networked document solutions. Web Image Monitor comes pre-installed on these devices and is accessed through a standard web browser interface. This allows users to monitor paper and toner levels and change network settings directly from their PC, increasing efficiency and productivity.

Outstanding Software and Services

Complementing the SP C410_{DN} and SP C411_{DN}, Nashuatec offers a superb range of Software Solutions and Services, which are designed to add value and ensure that our devices continue to operate seamlessly and reliably. Covering all aspects of your business, including document management, network control, consultancy, training and unrivalled support, these innovative products and services offer a tailor made solution to improve productivity, workflow efficiency and cost control throughout your organization.

Aficio™

The Nashuatec SP C410_{DN} and SP C411_{DN} bear the Aficio Symbol – your sign of digital technology, innovation and customer support in action.

SPECIFICATIONS

SP C410DN/SP C411DN

Printer

Technology

4 drum tandem method, laser beam scanning, electro photographic printing and dual component toner development

Print speed (Black and White/Full Colour)

SP C410DN: 25 prints per minute
SP C411DN: 30 prints per minute

Processor

RM7035C (600MHz)

Printer languages/resolution

PCL5c: 600x600dpi,
PCL6, Adobe® PostScript® 3™, RPCS™:
600 x 600dpi/1,200 x 600dpi
1,200 x 1,200dpi

Warm-up time

Less than 30 seconds

First print speed

Black and white: 10 seconds
Full Colour: 15 seconds

Memory

Standard: 256MB
Maximum: 512MB
Hard Disk Drive: 40GB

Fonts

PCL5c/PCL6: 35 intelli fonts, 10 true type fonts, Bitmap font (31 fonts can be downloaded), 13 fonts (International Font), Adobe® PostScript® 3™: 136 Adobe® type 1 fonts

Connectivity (standard)

Ethernet 10 base-T/100 base-TX
USB2.0

Connectivity (option)

Bi-directional IEEE1284
Wireless LAN (IEEE802.11b)
Bluetooth
Gigabit Ethernet
USB Host I/F

Network protocol

TCP/IP, IPX/SPX, AppleTalk

Supported networks

Windows95/98SE/NT4.0/2000/Me/
XP/Server 2003
Novell® NetWare®
3.12/3.2/4.1/4.11/5.0/5.1/6/6.5
UNIX Sun® Solaris 2.6/7/8
HP-UX 10.x/11.x/11i v1/11i
SCO OpenServer 5.0.6
RedHat® Linux 6.x/7.x/8.x/9.x/Enterprise
IBM® AIX v4.3 & 5L v5.1/5.2
Macintosh 8.6 - 9.2.x
Macintosh X v10.1/10.2/10.3 or later
(native mode)
SAP® R/3® 3.x or later

Paper size

A4, B5, A5

Paper weight

52 - 216g/m²

Paper input capacity

Standard: 550-sheet paper tray
100-sheet bypass tray
Maximum: 1,750 sheets

Paper output capacity

500 sheets face down

Media

Plain paper, thick paper, thin paper, transparencies, laser printer labels, envelopes, recycled paper

Toners (Black/Full Colour)

Black: 15,000 sheets¹
C, M, Y: 15,000 sheets¹

SP C410DN/SP C411DN ship with a starter kit.

¹A4 with 5% coverage.

Duty Cycle

150,000 pages per month

Power source

220-240v, 50/60Hz

Power consumption

Maximum: Less than 1.2kW
Energy saver mode: Less than 6W

Dimensions (W x D x H)

446mm x 589.5mm x 487mm

Weight

Less than 50kg

Software

DeskTopBinder™ Lite
SmartDeviceMonitor™
Printer utility for Macintosh

Options

- 2 x 550-sheet paper trays
- 128/256 MB SDRAM DIMM
- 40GB Hard Disk Drive
- Bi-directional IEEE1284
- Wireless LAN (IEEE802.11b)
- Bluetooth
- Gigabit Ethernet
- USB Host I/F
- Camera Direct Print Card [PictBridge I/F]
- User Account Enhance Unit
- VM Card
- Data Storage Card
